GENERAL INFORMATION

The Peninsula Theatre is a black box style theatre. The stage is situated on a diagonal in a corner with walls on the two upstage sides of the box. These walls are covered with black wool drapes. See plans and pictures available from Senior Theatre Technician.

SEATING

Seating capacity is 124.

FOYER

The theatre foyer features a Kiosk and Box Office area.

ACCESSIBILITY

The auditorium is wheelchair accessible via the main entrance.

STAGE DIMENSIONS

7m square

Diagonal OP corner to P corner 9900mm

D/S centre to U/S corner 9100mm

Floor to LX Grid 5500mm

PLANS

Stage plans can be obtained from the Senior Theatre Technician.

LOAD IN AREA

Equipment is brought into the theatre via the loading dock situated on the western side of the building, which opens into backstage area of theatre (access from Macmasters Road). Dock is at ground level.

DRESSING ROOMS

There is one main dressing room with mirrors, costume racks, toilets and showers.

The theatre currently has no laundry facilities or dedicated production Internet access. Internet access may be possible through Council network computers.
